

# 2021 SUMMER CAMP RATES

## Important Field Trip Notice

With the constant changing of rules and restrictions with regards to COVID-19, the field trips we have listed on this calendar are the outings currently booked. However, Country Kids is following the recommendations from the CDC, Connecticut Office of Early Childhood (OEC), Brookfield Department of Health, as well as the rules put forth by the field trip venues themselves. As a result of this, the field trips may be altered. We will keep you informed of any changes, but we encourage you to sign up for these weeks because our space is limited once again.
